1.5.4	December 2003	December 2003	Revised guide; no operational changes

Appendix A: Phases and Status Codes

Once the MAP Lender submits an application to HUD, the HUD Production Office staff sets the status of the application. MAP Lender can view the status of their applications on the **List Projects and Requests for Mortgage Insurance** window. Refer to Chapter 3 section 3.3 Retrieving an Application for the procedure.

Table 1 below lists all the applicable Application Statuses for MAP projects.

Table 1. Application Status by Development Phase
